More about us

Join the Organic Research Centre’s Farmer and Business Supporters’ Group
As a farmer and/or business operator, we hope you will have benefited, directly or indirectly, from the work we have undertaken, including our work to help ensure fair support payments for organic producers. To help us be more effective we would like to invite you to join our newly established Farmer and Business Supporters’ Group. In return for a commitment to a regular donation to support our work, the new Group provides an opportunity for us to say thank you for your support and to give you something back, including an opportunity to have a say in, and get involved with, our future activities More...

Subscribe to the ORC printed Bulletin
The quarterly ORC printed Bulletin is available on subscription in printed form, with back issues also on-line. More...
2014 Organic Farm Management Handbook
This is a ‘must have’ publication for everyone interested in the business of organic farming and growing. Now at half price! More

Other publications available
A wide range of our research and other publications can be accessed via our website, and some printed versions are available to order. More…

About the ORC E-Bulletin
The E-Bulletin is circulated monthly free of charge to ORC’s Friends, regular supporters and Bulletin subscribers, as well as to individuals who register via the ORC’s homepage at www.organicresearchcentre.com. The aim is to provide regular updates on ORC’s activities and related work, with links to more detailed information on the ORC website. Previous E-Bulletins can be found in the Bulletin archive. Comments on any items are very welcome by e-mail to comment@organicresearchcentre.com and may be published in future E-Bulletins and on our website (unless marked not for publication).

We depend on voluntary donations to cover the costs of compiling and distributing the e-bulletin. If you value what we do, please
