

Fresh perspectives on apple and cereal production

14th December 2011

Wakelyns Agroforestry, Diss, Suffolk

With special guest speaker, Stephen Briggs, Whitehall Farm

The workshop will bring together arable and horticultural producers with members of HONE (Herefordshire Orchards Network of Excellence) to explore the potential of an agroforestry approach for integrating fruit, vegetable and cereal production for multiple benefits.

Programme

10.30 Registration; arrive at Wakelyns for tea and coffee.

11.00 Farm Walk with Martin Wolfe

13.00 Lunch at Wakelyns

13.45 Presentations by Martin Wolfe, Jo Smith and Stephen Briggs

14.30 Workshop with Emily Durrant, Martin Wolfe, Jo Smith and Stephen Briggs
