ORGANIC POULTRY CONFERENCE

AGENDA

9.30am: REGISTRATION

Teas & coffees served

10.00am: WELCOME

Bill Yeats - Chair of Organic Poultry Working Group

10.10am: VISION

Soil Association and Organic Research Centre give their vision for the future organic table bird and layer enterprises.

10.20am: FEEDING THE FUTURE

Update on the EU and SA Consultation on feeding and feeding allowances. Presentation on current research around EU on feeding 100% organic diets.

11.30am: DISCUSSION BREAK

Teas & coffees served

11.50am: BREEDING THE FUTURE

Review of current breeding lines for layers and table birds. What traits most interest producers where does this fit with organic principles?

1.00pm: LUNCH

2.00pm: ASSUREWEL UPDATE

What has been learnt and how is this being implemented to help.

2.15pm: MARKET ORGANIC

Update on how the organic poultry market is performing on a UK and EU level.

2.30pm: ACTION PLAN

Group discussion and planning actions to the words spoken on the day.

3.30pm: CLOSE

Networking time
