

Cirencester, Gloucestershire, GL7 6JN

Fundraising Manager (G7)

Salary range: £28,000 - £33,000 (FTE) per annum depending on experience

REF: ADM2101

The Organic Research Centre is the UK's leading independent research centre focusing on the development and promotion of sustainable, agroecological solutions to food, farming and environmental issues. ORC is a registered charity with ca. 25 staff and funded primarily by project grants and contracts, from government, EU and foundation sources, as well as voluntary donations.

We are looking to appoint a Fundraising Manager (G7) to join our team to undertake the principal duties and requirements of such a role including, implementing the fundraising strategy, raising restricted and unrestricted donations from Charitable Trusts and Foundations, working on the development of a fundraising programme for individuals, and to ensure ORC's compliance with the appropriate bodies and regulations.

The successful candidate must have previous experience in a senior fundraising role and securing high value gifts, building successful relationships with charitable trusts and foundations, creating and delivering written proposals and verbal presentations, and be comfortable working independently and with the wider team to identify potential fundraising opportunities.

Please note, this is a full-time position to be primarily based from our office in Cirencester however, flexible working patterns and/or home-working would be considered for the right applicant.

We look forward to receiving your application, which must be made using the ORC application form. Further details can be downloaded from the Organic Research Centre website (www.organicresearchcentre.com).

The closing date for applications is **12 noon 26th November 2021**. Interviews to be held via MS Teams week commencing 6th December 2021
